

## Culture Solutions Europe - Theory of Change

Opportunities & Challenges	Method & Approach	Activities	Foreseen Results	Foreseen Change	Our mission
Fragile trust in EU and European integration / Despite strong freedom & well-being potential		Social Innovation group Independent website archiving Networked communities & partnerships	More quality & creativity in EU external action / more trust, well-being & development globally	More people in Europe & the world start to <b>«believe in</b> the EU <b>» again</b>	<image/> <text></text>
EU develops new international cultural relations policy but needs to be reinforced & nurtured by societies	<b>5 functions:</b> • Information • Dialogue • Analysis • Training • Implementation support	5 themes: • Legitimacy • Digital & Internet • Cultural relations • Cultural diplomacy • Intercultural coexistence	More funds committed to implement EU strategy & other culture-related initiatives	EU institutions more credible in their cultural strategy / EU becomes a reference in this field	
Need for independent & constructive knowledge capacity in EU external cultural action	Culture Solutions Europe is a go-to knowledge, expertise and networking hub	Who is Who Mappings on cultural sub-sectors Analyses Trainings Conferences & debates	New spaces for exchange & participatory policy formulation emerge to develop European external cultural initiatives	European cultural expertise is maximised internationally	
The cultural sector will benefit from the new EU international cultural relations policy if quality is ensured	Contribution to the external side of internal cultural policies Partnerships with cultural professionals	Participation in public debates, on social media, information and reach out to all non-specialised audiences	Cultural professionals are better informed about opportunities provided by EU external cultural action	Cultural dimensions of European integration are used more consciously, effectively, & strategically
